FILMON ZINABU

ELECTRICAL AND COMPUTER ENGINEERING (COMPUTER ENGINEERING) STUDENT

ABOUT ME

I am a 5th-year student at Arbaminch University, where I am majoring in computer engineering. I think of myself as a responsible, organized individual. Web development on the front end and back end is something I'm really interested in. Over the past few years, I've gotten better at creating websites that are both visually appealing and user-friendly. My goal is to help creative digital endeavors by using my technology expertise and originality.
